

Yaman Chapagain

Web Developer & Video Editor

Nepal | yamanjrexe@gmail.com | github.com/yamanjrexe | facebook.com/yamanjrexe | instagram.com/yamanjr.exe

SUMMARY

Motivated 17-year-old web developer and video editor from Nepal with experience building real-world web projects and editing videos. Started video editing in 2020 and web development in 2024. Passionate about learning new technologies and creating useful, creative digital projects — including chat applications, anime/manga tracking sites, and educational platforms.

EXPERIENCE

Independent Web Developer — Personal Projects

Nepal | 2024 – Present

Developing personal web projects including chat applications and tracking websites. Learning frontend and backend development while building real-world projects.

- Built a real-time chat application
- Created an anime and manga tracking website
- Learned full-stack web development basics

Video Editor — Freelance / Personal Work

Nepal | 2020 – Present

Editing videos using Kinemaster and CapCut for personal and creative projects, developing skills in cutting, transitions, effects, and timing.

- 4+ years of video editing experience
- Experienced with CapCut editing tools
- Improved video quality and editing speed
